

Slide shows

Important: Ask a fellow student or your teacher if you are stuck. Do not skip anything.

You are going to use the Open Office Impress. You will also use Mozilla (browser).

Help pages for the applications are at <http://www.easyquestion.net/learninginadigitalworld/>.

1. Read the page <http://www.easyquestion.net/learninginadigitalworld/software/open-office-writer/impress/>.

2. Create a new document in Writer. Save it as "My thoughts on slide shows".

3. While you make the three slide shows below, think about these questions, and write your thoughts in the document "My thoughts on slide shows".

- What is a slide show? (often called presentation)
Can you give a short description?
- Why make a slide show?
Can you suggest five possible reasons?
- What makes a good slide show?
Suggest five criteria and give examples of good slide shows

4. Make a slide show to present to the world Garden International School

- Make 10 slides
- In the notes put the sources (urls) of the images and information you use
- Use Impress

5. Make a slide show to present to the world a person you admire.

- Make 10 slides
- In the notes put the sources (urls) of the images and information you use
- Use Sliderocket or Zoho

6. Make a presentation on a topic of your choice

- Make 10 slides
- Include the sources (urls) of the images and information you use
- Use Prezi
